CURE YOUR KIDNEYS.

Do Not Endanger Life When a Maysville Citizen Shows You the Care.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, lagging, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Maysville testimony:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says: "Doan's Kidney Pills have been used in my family with most beneficial results and it affords me pleasure to corroborate the testimonial we gave for publication in their favor some years ago."

Doan's Kidney Pills brought me great relief and I have no hesitation in again recommending them.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Mannell, Maryland black, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '09, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. \$1 bottles Guaranteed.

PRAISES GOVERNOR COX

Franklin News.
Governor Cox impresses every person who attends a session of the Senate with his fairness and his knowledge of parliamentary law. He makes an ideal presiding officer and gives satisfaction to Democrats as well as Republicans. Governor Cox is not a partisan. He is a Republican in politics but is presiding officer of the Senate when he is in the chair and is not tied to his party to the extent that his ruling should be biased. The Legislature has two splendid presiding officers this session, for George Wilson in the House is fair and capable as Speaker. It is rarely that two such presiding officers can be found in the two Houses of any Legislature.

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but bind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowel muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. They began with a sample bottle, then bought a fifty cent bottle, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family can use it down to the very youngest.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. R. Caldwell, 1157 Caldwell building, Monticello, Ill.

At Lewisburg, Tenn., Edwin Grizzard, colored, sold a pair of 5-year-old mules to Z. R. Pickens for \$525, and on the same day, before the mules were moved from the Public Square, Mr. Pickens sold the mules for \$600.

According to a statement just made by the Bureau of Statistics of the Department of Commerce and Labor, the United States drank the residue of more than a billion pounds of coffee in 1909, valued at \$80,000,000, about a dollar's worth for every person in the United States.

SOUR STOMACH

"I used Cascarets and feel like a new man. I have been a sufferer from dyspepsia and sour stomach for the last two years. I have been taking medicine and other drugs, but could find no relief for a short time. I will recommend Cascarets to my friends as the only thing for indigestion and sour stomach and to keep the bowels in good condition. They are very nice to eat."

MRS. KATE COLBURN.
Mrs. Kate Colburn, aged 22, wife of Mr. Thomas Colburn, formerly of this city, died Sunday at her home in Indianapolis, Ind. Deceased was a sister-in-law of Mrs. King Willett of Lee street and was a most excellent woman.

JOSHUA H. WATSON.
Mr. Joshua H. Watson, one of Mason county's pioneer merchants and excellent citizens, passed away Saturday night at his home in Minerva with ailments and infirmities incident to old age.

His wife preceded him to the grave years ago, and surviving are three daughters—Mrs. Dr. McNitt and Miss Lottie Watson of Missouri, and Mrs. Thomas Robertson of Bracken county—and one son, Dr. Vachel Watson of Missouri. He was also a brother of the late John W. Watson of this city.

In 1865 he had charge of the Lee House in this city, the firm being Thompson & Watson, the former being the father of Mr. A. H. Thompson, the West Second street manufacturer and implement dealer. Mr. Watson was a genial, old time Southern gentleman, and is widely remembered by a large circle of our older citizens. He was 83.

Mr. Watson's wife was Miss Mary Pepper, daughter of the late James E. Pepper, and he leaves hundreds of relatives. His funeral took place yesterday afternoon from his late home in Minerva.

JAMES HARVEY RICE.
James Harvey Rice, father of County Judge W. H. Rice, and one of the most distinguished and popular farmers of Mason county, died suddenly at his home in Lewisburg last evening at 5 o'clock, aged 74.

The deceased had been blind for several years, but enjoyed good health, and when the summons came was sitting in a chair talking to his wife, when his head fell forward and he passed from life unto death in the twinkling of an eye.

He was born in Bath county January 4th, 1836, and for 56 years he and his faithful and loving helpmate had traveled life's thorny path through sunshine and shadow, one a support and joy to the other.

He was a devout member of the Christian Church and an honored member of the F. and A. M., and an exemplary man in every phase of life.

Besides his widow he leaves five sons and four daughters—County Judge W. H. Rice, Jefferson D., and Frank Rice of this county, J. Y. Rice of Houston, Texas, Jewell Rice of

The funeral will take place Thursday morning at 10 o'clock from the Lewisburg Christian Church, with services by Rev. John Shouse of Lexington.

The gold dollar in the United States has practically gone out of circulation and now it is rumored that the silver dollar is likely to follow it, at least to some extent, into its innocuous desuetude. The reason for this seems to be simply that the Government has ceased its practice of paying the expressage on shipments of silver dollars. Banks, therefore, prefer the currency, which is so much lighter, and in many sections of the country is in greater demand at their windows.

A PLEASANT SURPRISE

The Senior Class of Miss Gordon's Training School, nine in number, entertained the rest of the school with a delightful Valentine Party yesterday afternoon. An interesting article on the Origin of Valentine Day, and a beautiful Valentine story were read by Miss Gordon, after which games were enjoyed till the Senior Class announced refreshments. Cake and cream were served in abundance to all, and then there was much to spare. A speech from the Sophomores was called for, but as no one responded to the general call Miss Elizabeth Luttrell was called on. Not being a suffragette Miss Luttrell acknowledged the compliment in a profound and graceful bow, and all went home with good wishes for the Seniors who had been so thoughtful and generous.

TERRIBLE STRAIN RESULTED NOT AMISS

A Lenoir Lady, After Two Weeks Grinding Labor, Feels Better Than Ever.

Lenoir, N. C.—"I am not tired at all, and am stouter than I have ever been," writes Mrs. Kate Waters, of Lenoir, N. C., "although I have just finished a two weeks' wash. I lay my strength to Cardui, the woman's tonic. I have taken a lot of it and I can never praise it enough for what it has done for me. I can never thank you enough for the advice you gave me, to take Cardui, for since taking it I look so well and am stout as a mule."

You are urged to take Cardui, that gentle, vegetable tonic, for weak women. Its use will strengthen and build up your system, relieve or prevent headache, backache and the ailments of weak women.

It will surely help you, as it has helped thousands of others, in the past 50 years.

CITY CENSUS

Work Will Begin This Week to As-
certain Exact Population

Working solely in the interest of the welfare of the City of Maysville, Mayor J. Wesley Lee will this week have a corps of enumerators to take the census of the six Wards of the city, to ascertain the exact population.

Mayor Lee wants to see Maysville in the list of cities of the third class and in order to be so ranked there must be a population of 8,000 or more.

An advancement from the fourth to the third class will mean much to the municipality, and this is a step in which every citizen should be interested.

It is the Mayor's purpose to get the name of every member of every family within the corporate limits of Maysville, and when any of the enumerators call on you give him readily the information desired.

The following have been named to take the city census for Mayor Lee—

- First Ward—J. T. Marsh
- Second Ward—Fred W. Bauer
- Third Ward—William Daugherty
- Fourth Ward—Rolf Newell
- Fifth Ward—W. E. Stallcup
- Sixth Ward—A. G. Stewart

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgment.

This "Discovery" is a pure, glyceric extract of American medicinal roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

An investigation is in order to inquire just who holds the balance of power, the producer or the consumer? The odds seem to favor the producer.

Doesn't it look a little selfish and hoggish, generally, for the high brows of the Pennsy Railroad to crack down on the underlings and not allow them to smoke or chew tobacco while they, themselves, continue to loiter in easy office chairs or roll in Pullmans and puff 25-cent cigar smoke in the face of their pretty stenographers?

The most ticklish question now before the wisecracks is to settle the problem of just where the rights of the consumer begin and the license of the producer ends. It is idiosyncrasy to blame the "Plutocratic Protective Tariff" with the selfish cry for high prices demanded by the producers, the farmers, the packers and the cold storage criminals, generally.

THEORY GENERALLY ACCEPTED AND SUCCESS IS UNIVERSAL

L. T. Cooper, whose theory that the human stomach is the cause of most ill health, and who created a furor in Chicago, St. Louis and other Western cities, is meeting with the same remarkable success with his medicine throughout the East. Cooper has convinced an immense number of people that his theory is sound and his medicine will do what he claims.

Perhaps the most interesting features of the dissemination this young man is causing are the statements made by responsible people who have taken his medicines and have become enthusiastic converts to his beliefs.

Among statements of this character, the following, by Mr. August Wittmer, 1049 Rockwell Court, Chicago, is characteristic of the widespread faith in Cooper, which has grown up in a comparatively short time. Mr. Wittmer says: "I wouldn't take \$1,000 and be in the condition I was three weeks ago. I was practically an invalid for fourteen years and think I had about all of the diseases known. My stomach was weak, and at times I would have an enormous appetite, and then again none at all. Pie and cake made me sick, and I almost always had a sickening feeling in my stomach. I was nervous, and for weeks at a time could not sleep, and then again could sleep eighteen hours at a stretch. Sleep, however, seemed to do me no good, and I would awake tired and more exhausted than when I went to bed.

"I was constipated, had pains in my back and cutters and pains in my heart. I was unable to work with any regularity, and took no interest in anything. I tried all kinds of medicine and doctors, but none benefited me. I had no energy and no ambition, and had almost concluded to give up when the Cooper medicine was recommended. Thanks to it, my health seems completely restored and I feel like a new man."

Cooper medicines have created the greatest sensation of anything of the kind ever before introduced. We sell them, and will be glad to explain the nature of them to our callers.—Thos. J. Chenoweth.
